The Olympic Spirit in Surveying

The background of the slide is a photograph of a bright sun low on the horizon, casting a shimmering reflection across the surface of a calm body of water. In the bottom right corner, a small, dark silhouette of a person is visible on a sandy beach, looking out at the water. The sky is a clear, deep blue.

Olympic Spirit

- Competition with a dedication to an ideal
- Harmonious co-existence and blending of moral, physical & intellectual virtue
- Participation in the contests
